

## **Activity with paints**

Color plays a vitally important role in the world in which we live. Color can sway thinking, change actions, and cause reactions. Children usually learn about color during their preschool years. In painting colors are commonly applied to the base with a brush, but other tools such as sponges, airbrushes and even our fingers can be used.

Here are some of the links you can use to explore painting with your kids.

- 1. <a href="https://youtu.be/JBnhxcXyGV0">https://youtu.be/JBnhxcXyGV0</a>
- 2. <a href="https://youtu.be/sxfHNwgy250">https://youtu.be/sxfHNwgy250</a>

Today in our activity we will use our thumb, palm and foot to do some activities.
