HARI OM

A step further in learning, a step closer to success. This is our motto and we wish to welcome you and your child on this wonderful journey of learning and education at New Horizon Vidya Mandir. We hope that your child discovers that learning can be an enjoyable and enriching process.

PRINCIPAL'S MESSAGE

Hari Om!

Being the Principal of New Horizon Vidya Mandir is indeed a privilege and it is a campus that provides a secure, stimulating and supportive environment for children, where learning takes place and creative expression is encouraged. It is also a campus that is dedicated entirely to the education of kindergarten children.

Our aim is to strengthen self confidence, to develop a happy and positive learning attitude, to form good habits of health and safety and to inspire creativity and individuality by learning through play. We develop a natural curiosity in students by exploring and discovering through structured play and provide them with a strong foundation of essential knowledge, skills and intellectual capabilities and to make them ready to face the future.

I am sure that you and your child will make the best of their formative years that they are with New Horizon Vidya Mandir.

Mrs. Usha Vasudevan

PRINCIPAL

EDUCATION HAS EVOLVED

INSPIRE, TO CHANGE THE WORLD

At New Horizon Vidya Mandir, we believe education has the power to inspire, giving your child the opportunity to excel and the ability to dream big

DREAM BIG. THINK BIG. DO BIG.

Since inception, our motto "In pursuit of excellence" has propelled us to explore new paradigms of learning and hence, we have amalgamated the greatest virtues of traditional learning with our education system.

EXCEL, TO LEAVE A MARK

In the fast-paced and constantly evolving world of today, a new wave of thinkers, doers & achievers hold the promise of a better tomorrow. This is the very reason our learning systems are unique, creating opportunities to unlock the potential of excellence in every individual and in every possible way.

The background features a photograph of two young children, a boy in the foreground and a girl behind him, both looking upwards with expressions of curiosity and wonder. The image is overlaid with a light blue tint and various educational icons: a microscope, a pencil, a paint palette, a lightbulb, and a gear. Several thought bubbles are scattered around, with the word 'IMAGINATION' written in blue capital letters inside one of them.

IMAGINATION

OUR CORE BELIEF

LEARNING TO BECOME WORLD CITIZENS

- 
- Each child is an individual who is strong and capable with potential, curiosity and interest in expanding their learning and to explore the different facets of education.

- Children, teachers and parents are considered as an integral part
- of the education process wherein there is an intellectual development through a systematic focus on symbolic representation.

- All domains of development and learning that are physical, social, emotional and cognitive are related and proceed towards greater complexity and self sufficiency
- To inculcate a positive attitude towards self and peers and support the children's abilities to express themselves in a variety of creative ways.
- To provide a safe and positive environment in which children feel happy and secure.

FEATURES

LEARNING TO BECOME WORLD CITIZENS

A group of children are sitting on a white sheet outdoors. They appear to be engaged in an activity, possibly a play or a lesson. The background shows a building with a grid pattern, possibly a window or a fence. The overall scene is bright and sunny.

One of the key success factors in this world of constant and rapid change is creativity. New Horizon Vidya Mandir feels it is very important to provide the child with a rich and stimulating learning environment that encourages imagination and challenges the child to think in different and creative ways.

Language skills are developed with the help of activities like storytelling, conversation,

Informal talks, dramatics, puppet play, auditory and visual games.

Subjects like

E.V.S.(Environmental Science) and Mathematics are introduced through innovative and creative methods. Above all, the school concentrates on building the self-esteem of the child through unconditional love and positive encouragement.

At the same time, a strong set of values that is rooted in our culture are imbibed. The school firmly believes that educational empowerment begins right from day one.

Infrastructure

Classrooms

Large, spacious, naturally ventilated, well lit and colourful classrooms with attached play areas.

AV room

An AV room with the ambience of an enchanted world.

Dance room

Children can express themselves through different styles of dance and learn to move in a disciplined and rhythmic manner.

Music room

At New Horizon Vidya Mandir, music in the form of songs, shloka chanting and bhajjans are a part of life for our children from a very early age as it helps in the development of language, rhythm and auditory memory.

Amphi-theater

A beautifully designed open air theatre where our little ones display their hidden talents in a variety of shows

CCA room

A spacious room that inspires our little performers to compete in various co-curricular activities.

Play areas

We have numerous play and activity areas that are spacious and child centric where focus is placed on their physical development as well as their inter-personal skill development. These areas have rubberised or astro-turf floors to ensure the safety of our children.

The Aquatic

wonderland

Our outdoor aqua ponds are a beautiful and enchanting space housing a variety of exotic and fascinating fishes, snails and turtles. The ponds also feature numerous novel waterspouts. Children can enjoy this aquatic wonderland and also learn a lot about marine life.

Splashes of Fun and Frolic

The swimming pool is one of the most alluring aspects of our campus infrastructure. The pool is designed around the theme of marine animation. Children partake of this facility as an after school activity.

Creative LEARNING

We celebrate different festivals through song, dance and dramas to show and teach our young ones about the significance of various festivals.

FIELD TRIPS

Nothing compares to real life experiences especially when learning comes cloaked on a day out to the museum or a field trip to the local fire station. Frequent field trips add to the child's world of knowledge.

OUR WORLD IS DIFFERENT

Children are taught various concepts through different mediums like real life enactments as well as practical exposure.

CONCEPTS ARE TAUGHT AND REINFORCED USING INNOVATIVE TEACHING METHODS AND TECHNIQUES

Visual aids ranging from 2D to 3D images are used in order to facilitate the power of retention which allows children to explore their imagination and experiment as well.

SPORTS & GAMES

Our annual sports day is the perfect platform for our young athletes to exhibit their excellent sportsmanship on the field. Colorful displays and action packed races are the order of day.

ANNUAL DAY

One of the memorable events of our academic year is our Annual Day in which each and every child gets to participate in the program. The children put on a dazzling show filled with music, drama and dance for their loved ones.

BANDHAN & GRANDPARENTS DAY

As a way of involving families in our celebrations, we host our parent-child event called 'Bandhan'. We also celebrate 'Grandparents Day' which is an event dedicated only for the grandparents of our children to show our appreciation for everything that they mean to us.

OUR ACADEMIC PROGRAM

Infusion of world renowned Montessori method

At New Horizon Vidya Mandir we use a balanced combination of the Play way method and the Montessori method that provides a carefully planned learning environment that encourages the child to develop unique abilities.
